The Recorder

ESPANOLA — The Manitoulin-Sudbury District Services Board (DSB) is forecasting a surplus in its 2013 budget.

Fern Dominelli, CAO of

the DSB, told the Recorder after its last board meeting, “we were presented with a third quarter financial forecast for 2013, and it is for a budget surplus of \$419,209.”

“The surplus is mainly due the DSB receiving

\$355,000 more than we had budgeted for in EMS revenues,” said Mr. Dominelli. “And in housing, we received about \$77,000 more than we had anticipated we would be allocated.”
