

# District Services Board shows budget surplus

Tom Sasvari  
The Recorder

ESPANOLA — The Manitoulin-Sudbury District Services Board will be dealing with a surplus in its financial statements for 2012 at the June board meeting.

Fern Dominelli, CAO of the DSB, told the Recorder after a board meeting last week, "We had the financial statements presented by our accountant, Kirby Houle, at our meeting. We are looking at a surplus of \$215,902, that will first be looked at by our finance committee, with a recommendation to be made to the board in June as to what our options are and where this money will be used."
