

District Services Board releases 2016 apportionments to member municipalities

Tom Sasvari
The Recorder

ESPANOLA—The Manitoulin-Sudbury District Services Board (DSB) has released its 2016 municipal apportionments to its member municipalities.

Fern Dominelli, CAO of DSB, told the Recorder after a board meeting last week, “the overall increase in our budget for 2016 was 1.47 percent, or a total of \$150,497.”

The board passed the 2016 budget at its October meeting.

The following shows the amount each municipality will provide in apportionment toward the 2016 DSB budget, and what percentage it is of the overall DSB
