Regulations Made under the *District Social Services Administration Boards Act*

## 1. CONTEXT

Social services in Northern Ontario are delivered by 10 District Social Services Administration Boards (DSSABs). Created in 1998, DSSABs are responsible for delivering a range of social services including Ontario Works, childcare, and social housing. Eight DSSABs also deliver land ambulance services.

The *DSSAB Act* and its regulation provide for the DSSAB's structure, board member qualifications, chairs of boards, and term of office of members. The Regulation also identifies the number of members for each Board, the areas they represent and the manner of their appointment.

While DSSAB members representing municipal jurisdictions within the District are appointed by the municipal councils of those municipalities, DSSAB members representing areas within Territories Without Municipal Organization (TWOMO) are selected by the residents of that territory through an election.

Elections in TWOMOs are held the same day that municipal elections are held. This year's municipal and TWOMO elections will be held on **October 27, 2014**. DSSABs are responsible for administering the TWOMO elections.

The regulation under the *DSSAB Act* does not define the election process for members representing territory without municipal organization. This resource guide will assist DSSABs in administering the TWOMO election process by:

- providing guidance to DSSABs for running elections in a territory without municipal organization,
- identifying the ministry's key requirements for running elections,
- describing the roles and responsibilities of election officials, and
- providing templates of forms that can be adapted.

### WHAT'S NEW FOR THE OCTOBER 27, 2014 ELECTIONS?

The TWOMO Election Resource Guide has been revised and updated, using as references the Municipal Affairs and Housing (MMAH) **2014 Voters' Guide for Ontario Municipal and School Board Elections** and the **2014 Candidates' Guide for Ontario Municipal and School Board Elections**.

#### New for 2014:

1. Election day is **October 27, 2014**, and the close of nominations is **September 12, 2014**. Both of these dates are the same as the dates for municipal elections determined under the *Municipal Elections Act, 1996*.
2. Voters are required to show identification in order to vote. If your name is on the voters' list, you will be required to show one piece of identification that has your name and address on it in order to receive a ballot. The requirement to show identification that has your signature on it has been removed.
3. Clerks can decide to accept the nomination filing fee by an electronic method of payment if they wish.

#### Representation of TWOMO

The following summary chart shows for each DSSAB, the number of members representing TWOMO and the area(s) they represent. (Refer to the regulation under the *DSSAB Act* in Appendix "P" for a more detailed description of each area.)

## 4. ELECTION PROCESS FOR TERRITORIES WITHOUT MUNICIPAL ORGANIZATION

The DSSAB regulation requires that residents of TWOMOs select the DSSAB board members who will be their representatives. TWOMO elections take place on the same day as the municipal elections, this year the elections are held on October 27, 2014.

DSSAB members representing municipal jurisdictions within the District are appointed by the municipal councils of those municipalities as set out in the Regulation. Council members are elected under the *Municipal Elections Act*. The term of all DSSAB members begins on January 1 following the municipal election.

DSSABs are responsible for administering the TWOMO elections. The election process includes obtaining the Preliminary List of Electors, selecting personnel and Returning Officers, adapting the forms provided in this Resource Guide as needed, notification of the public of the nomination process and the polling process, receiving nominations and determining eligibility, establishing location of polls, training elections personnel, preparing voters lists, conducting polling, and tabulating and certifying results.

### Alternative Processes for Administering the Election

A DSSAB may contract with a third party to administer the election. This could include a contract with a municipality.

The expertise in election administration often resides with municipal clerks in Ontario. The use of an outside expert, namely a municipal clerk, as the board's election clerk may be cost effective and will best assure the board, the ministry and the public that the election process is fair and is being conducted with integrity. The costs incurred by the member municipality for the conduct of the DSSAB election are the responsibility of the board.

The clerk of the largest municipality is the clerk for school board elections under the *Education Act*. Often the municipal clerk of the largest member municipality will be in the best position to oversee the DSSAB election. However, there may be a better choice of municipality to conduct the election for a particular board. For example, there are synergies possible by having an adjacent municipality take on the responsibilities.

The DSSAB in each instance would sit in the place of the municipal council for making those decisions that a municipal council would normally make during the elections process. The municipal clerk, as the election clerk for the DSSAB would be required to make the necessary reports to the board for direction on those matters.

Subject to approval of municipal council, the clerk of a member municipality may be appointed the DSSAB Election clerk.

#### Qualifications of Members Elected to Represent Territories Without Municipal Organization

The Regulation made under the *DSSAB Act* outlines the qualifications of members and the term of office.

Section 3.1(2) of the Regulation provides that:

“A member of a board ... who represents a territory without municipal organization shall be a Canadian citizen who is at least 18 years of age, and

- (a) a permanent resident of the territory without municipal organization\*;
- (b) an owner or tenant of property in the territory without municipal organization; or
- (c) the spouse of an owner or tenant of property in the territory without municipal organization.”

\*Note that this should be read as if ‘or’ follows section (a).

#### Term of Office of Members Elected to Represent Territories Without Municipal Organization

The term of office for DSSAB TWOMO board members is four years. The term of office for a board member commences on January 1, 2015.

There is no authority for boards to use alternate members. If a member becomes ineligible, the board appoints a new member to serve that territory for the remainder of the term. Boards decide how to appoint a new member.

### The Nomination Process

DSSABs must appoint/deputize a Returning Officer to conduct the election in the TWOMO. DSSABs must also appoint Deputy Returning Officers, and may appoint Poll Clerks and any other election officials that are considered necessary, for each voting place. All election administration personnel must complete the oath (see Appendices “A” and “B”).

A person may be nominated by submitting a nomination form (see Appendix "E") to the Returning Officer, or his or her designate, in person or by an agent. Where the DSSAB requires nominees to submit their form in person, Returning Officers may wish to designate in different areas of the DSSAB officials to whom nomination forms may be returned. DSSABs may also organize nomination meetings if appropriate.

Note that the form in Appendix "E" allows for self-nomination.

The last day for nomination, Nomination Day, is the same as that for municipalities, the 45<sup>th</sup> day before Voting Day, September 12, 2014. Prior to 4:00 p.m. on the Monday following Nomination Day (September 15, 2014) the Returning Officer shall examine each nomination filed and, if satisfied the person is qualified to be nominated and that the nomination complies with the DSSAB Act and Regulation, the Returning Officer shall certify as such on the nomination filed. If not satisfied, the Returning Officer shall reject the nomination and as soon as possible give notice to the person who sought to be nominated and all other candidates for that office. The Returning Officer's decision is final.

Those disqualified from seeking to represent TWOMO include:

- An employee of the DSSAB.
- Except during a leave of absence under Section 30 of the *Municipal Elections Act, 1996*, an employee of a municipality within the DSSAB service area and as defined in the *Municipal Affairs Act*. An employee must be on leave as of the day they are nominated. If elected to office, the employee is deemed to have resigned from employment.
- A judge of any court.
- A member of the Assembly (Ontario Legislature).
- A member of the House of Commons.
- A member of the Senate.
- Anyone who holds one or more office(s), election of which is governed by the *Municipal Elections Act, 1996* and/or the *District Social Services Administration Boards Act*.

- 
- A Crown Employee within the meaning of the *Public Service Act* who is a Deputy Minister or who is in a position or classification designated in the regulations made under that Act for the purposes of Section 11 thereof.
  - A person who is serving a sentence of imprisonment in a penal or correctional institution, including a sentence being served in the evenings or on weekends.
  - A corporation.
  - A person who was convicted of the corrupt practice described in Subsection 90(3) of the *Municipal Elections Act, 1996* if Voting Day in the current election is less than four years after Voting Day in the election in respect of which he or she was convicted.
  - A person who was convicted of the corrupt practice described in Subsection 91(1) of the *Municipal Elections Act, 1996* if Voting Day in the current election is less than six years after Voting Day in the election in respect of which he or she was convicted.
  - A person disqualified for violations of financial requirements or violations of requirements for filing financial information.
  - Otherwise ineligible or disqualified under the *Municipal Act, 2001* or any other Act.

The Returning Officer will inform a nominee that his or her nomination papers have been rejected (see Appendix "F", "Notice of Rejection of Nomination Papers"). Note that a candidate who is running for municipal office may run as a member to represent a DSSAB, but if elected to both positions, is permitted to hold only one office.

### Notification of Nomination Process

The Returning Officer should establish early on in the process, the method of giving notice regarding offices for which persons may be nominated and the nomination procedures.

Legally constituted parties/bodies in the District as well as residents of the territory without municipal organization should be notified about the nomination process and that an election is taking place for a representative on the DSSAB and that eligible nominees should come forward.

DSSABs will need to reach residents using some of the approaches outlined below. Since each territory without municipal organization is distinct, some approaches will likely need to be modified to meet different communities' needs.

Nomination Papers should be reasonably accessible to allow interested parties the opportunity to participate in the election process.

### Ways of Notifying the Public

Suggested ways to notify the public about the nomination process and election date, location of voting places, etc., include the following:

- A. Local newspapers

- B. Local radio stations
- C. Mail notices to residents
- D. Notify legally constituted parties such as (1) Incorporated Municipalities, (2) Post Offices, (3) Local Services Boards, (4) Local Roads Boards, (5) Cottager Associations, (6) Volunteer Fire Departments, and (7) Statute Labour Boards
- E. Place notices in establishments open to the public, community centres, etc.
- F. Posting on DSSAB internet site
- G. Consider hosting a candidate info night to answer questions

### Acclamation

If the number of candidates nominated is equal to the number of members that are required, the candidate or candidates will be declared duly elected by acclamation. See Appendix "I", "Declaration of Acclamation to Office".

### Insufficient Number of Nominees

Candidates who have filed their nomination papers by the deadline will be declared duly elected by acclamation.

Where there are fewer eligible nominees than members required to represent the TWOMO, the Returning Officer will extend the deadline for nominations. Additional efforts should be made to circulate the Notice of Nominations more broadly.

### Preliminary Lists of Electors (PLE) for Elections in a Territory Without Municipal Organization

The Municipal Property Assessment Corporation (MPAC) has responsibility for voter enumeration. The Preliminary List of Electors (PLE) is being compiled and will be delivered to DSSABs by Aug 1, 2014. These lists may only be used for election purposes and may only be made available to the public as prescribed in the *Municipal Elections Act, 1996*.

MPAC will also contact DSSABs to inquire whether DSSABs wish to receive a supplementary PLE in mid-September which will reflect changes that have occurred since the July PLE.

Once the Returning Officer has corrected any obvious errors on the PLE, it becomes the Voters' List and should be certified as revised. The Voters' List is subject to revisions up to and including Election Day. MPAC should be notified of any changes made by the Returning Office to the PLE.

---

## 5. VOTING PROCESS

### Access

Voting place means the area designated by the Returning Officer in which the facilities for the conduct of the vote are located.

Typically, the voting places for local elections are open from 10:00 a.m. to 8:00 p.m. on voting day. Electors who are in the voting place at 8:00 p.m. are entitled to vote. This timeframe is used throughout the resource guide. If local circumstances warrant, these hours may be extended through earlier opening of the voting place.

Each election area should have at least one voting place. Voting places should be located in a central area that provides reasonable access to residents. Interpretation of “reasonable access” will vary across the DSSABs, depending on local conditions.

Note that all voting places be accessible to electors with disabilities, and the Returning Officer shall have regard to the needs of electors with disabilities in choosing voting places.

### For The Vote

DSSABs must make a concerted effort to communicate to all residents the election date, locations of voting places and relevant processes.

Prior to voting day, the Returning Officer shall prepare and certify the Voters’ List for use in each voting place.

No campaign material or literature of any nature relating to any candidate in the election shall be displayed within the voting place on voting day.

Every person who is present in the voting place or at the counting of the votes shall help to maintain the secrecy of the voting. No person shall interfere with an elector, obtain or attempt to obtain at a voting place information about how an elector intends to vote or has voted, or communicate any information obtained at a voting place about how an elector intends to vote or has voted.

### Emergency Vote Procedures

The vote will be postponed for a particular voting place by the Returning Officer in the event of adverse weather or other unforeseen circumstances that would unduly hinder qualified electors from voting.

In areas where one or more poll (but not all) needs to be postponed, those polls that do not need to be postponed will proceed normally. The ballot boxes for these polls will be sealed and remain closed until all polls for the area have been completed.

An effort should be made by the Returning Officer to ensure that any poll that needs to be postponed is rescheduled as soon as possible.

### Forms

Clear, consistent forms should be utilized for the nomination and election process.

The Returning Officer shall prepare and cause to be printed a sufficient number of ballots for use in the election.

Sample forms provided for use can be found in the Appendices to the Resource Guide.

### Ballot Boxes

Ballot Boxes should be provided to each Deputy Returning Officer in advance of the poll.

Ballot boxes should be made of a durable material and constructed so that the ballots can be deposited and cannot be withdrawn without the box being unsealed or being unsealed and unlocked.

Specific details concerning maintaining the integrity of the ballot box and the poll are discussed in Appendix “H”.

The Returning Officer may require that three envelopes be included in the Ballot Box to be used after the Poll Count. One envelope could be labeled for “USED BALLOTS”, a second for “UNUSED BALLOTS” and a third for “REJECTED, CANCELLED AND DECLINED BALLOTS”.

The Ballot Box should also be sent with seals to close the box before the vote and with seals to be used after the Vote for its transport to the Returning Officer.

### Voting Procedures

Ballots will be given to persons whose name appears on the Voter's List. Identification may be requested to verify the name. It is recommended that the elector's name then be crossed off the Voter's List or marked to show that the elector has received a ballot.

On attendance of a qualified elector whose name does not appear on the Voter's List, the Deputy Returning Officer must complete the Application to Amend Voter's List information required (name, qualifying address, mailing address) and then require the elector to sign the Voter's List (see Appendix “K” for a sample Application to Amend Voter's List).

Once the Returning Officer has approved the application and the elector has signed the amended Voter's List, he/she should be given a ballot and directed to the Voting Booth.

On receiving the ballot from the voter, the Deputy Returning Officer shall immediately deposit it in the ballot box, in the full view of the voter and any persons authorized to be in the voting place.

### Ballot Counting

After the close of the voting place, the Deputy Returning Officer counts the ballots and records the results on an Election Results Form (see Appendix "N").

The Deputy Returning Officer then notifies the Returning Officer of the results. The ballot boxes will then be sealed and sent to the Returning Officer.

The Returning Officer shall check the election results forms from the Deputy Returning Officers for the Official Totals. The Returning Officer may open the ballot box if he or she considers it necessary in order to interpret the election results form. The Deputy Returning Officer shall be present.

A scrutineer or a certified candidate is entitled to receive a copy of the election results form from the Returning Officer but not from the Deputy Returning Officer.

The Returning Officer conducts all recounts for the elections for which he or she is responsible. Recounts can be required when there is a tied vote where both or all candidates cannot be declared elected or by resolution of the DSSAB board. The Deputy Returning Officer, any other election official appointed to assist with the recount, certified candidates for the office involved, counsel for the certified candidate, or any other person may be present with the Returning Officer's permission.

### Alternative Voting Methods

Recently, a number of municipalities have chosen to use alternative voting methods. DSSABs may wish to look at using alternative voting methods when planning for elections for members from TWOMOs. These methods may provide improved convenience, greater accessibility and the opportunity for increased voter turnout.

The DSSAB must pass a by-law for alternative voting/counting methods and the by-law must be passed at least sixty (60) days prior to the election (by August 27, 2014) and remain in force until repealed.

If DSSABs are interested in seeing sample procedure information as a reference for any of these alternative voting methods, they may contact the Ministry for a copy.

Previously, the Ministry obtained the information from the Association of Municipal Clerks and Treasurers of Ontario (AMCTO) and the sample procedures have not been tested or proven by AMCTO or by the Ministry and are merely provided for reference:

- automated vote equipment – poll count tabulators (City of London);
- vote by mail-in ballot (Municipality of Clarington);
- internet voting (Town of Markham);
- touch screen voting (none available);
- voting by telephone

The municipalities noted in brackets above have drafted the sample procedure materials. Since the materials are just samples, if DSSABs wish to pursue the alternative voting methods or wish for more information after reviewing the samples, DSSABs are encouraged to directly contact the municipality who drafted the procedure or another municipality who also conducts their elections using the same or similar method.

DSSABs may contact: Nadini Sankar, Senior Policy Development Advisor, MCSS, Ontario Works Branch, at 416-326-2646 for copies of the sample procedures.

#### Transition Period Following the Election

During the period following the election and prior to the beginning of the new Term of Office (January 1), the existing Board continues to govern. However, some restrictions to the Board's actions will apply. The following activities should not be undertaken by the Board during this period:

- appointment or removal from office of any member of the board;
- hiring or dismissal of any employee of the board;
- disposition of any real or personal property of the DSSAB which had a value exceeding \$50,000 when it was acquired by the DSSAB (unless the disposition was included in the most recent budget adopted by the DSSAB before nomination day);
- making any expenditures or incurring any other liability which exceeds \$50,000 (unless the liability was included in the most recent budget adopted by the DSSAB before nomination day), excluding normal day to day business expenditures e.g. Ontario Works.
