

July 7, 2009

I regret to advise you that, due to health problems, the CAO – Gary Champagne is presently unable to perform his duties. Accordingly, the Board has entered into a contract with David Court to assume the duties of the CAO on an interim basis effective July 2.

Mr. Court, you may remember assisted the Board in the creation of a Strategic Plan and he met with many of you in the summer of 2008. David was the CAO with the Algoma DSSAB for 35 years and also has served as an interim CAO with the Timiskaming DSSAB.

Please feel free to bring any issue to Mr. Court's attention which in the past you would have directed to the CAO. He may be contacted as set out below:
