Espanola ON P5E 1R9

Dear Mr. Chénier:

Please be advised that our Regional office would like to meet with the Northern Regional OW Delivery Boards. We understand that the next available date for your Board meeting is November 26th.

On our agenda we would like to include:

1. Service Cost Uploading including the provincial uploading of ODSP costs and the up and coming Municipal Review which will also impact on cost sharing.
2. Customer Service which includes the ways to strengthen our service for those people in the North that must rely upon us.
3. Future Direction of Ontario Works Delivery and related services.
4. Your Direct Feed Back from a Board's point of view which is very important to us.

Please confirm this available date, time and place.

Yours truly,
