Dear Mr Dominelli

On behalf of Our Children, Our Future/Nos enfants, notre avenir, our Board would like to thank you very much for your financial contributions including the purchase of our new van. Your continued support for our programs will make a difference in the lives of children and families in the Espanola area.

Our Children, Our Future/ Nos enfants, notre avenir works with many different partners to develop and promote innovative and sustainable community resources that nurture healthy children, healthy families and healthy communities.

By working together, we can continue to provide effective prevention and intervention programs that support children and give them a better start in life. Your support helps parents to develop the capacity to create healthy environments for themselves and their families.

The next time you see a smiling child, please remember that you have made a difference.

Thank you,

Marie-Josée Bergeron, Chair
Our Children, Our Future
Nos enfants, notre avenir
