**Note from Interim Acting CAO:**

**We are pleased to note that the OEYC has increased funding to all three locations under its jurisdiction with in our Districts.**

To Whom It May Concern:

Effective on your September allocation, we will be prorating and implementing a \$2500.00 a year increase to your annual budget. You will receive \$1250.00 and a monthly increase of \$208.33 from October 2009 – March 2010.

This increase reflects adjustments made to the overall budget for professional development and satellite enhancement in the last year. It is not an indication that there have been any increases to our original OEYC budget. It also reflects your commitment to provide appropriate Best Start Hub services on behalf of your local Best Start Network and your community.

The service agreements you have signed indicate the expectations that should be evident in your regular program delivery. We are in the process of developing the evaluation measures to coincide with these service accountabilities. We hope to provide these in the fall so that they can be piloted for the last 3 or 4 months of this fiscal year.

Thank you for continuing to work for the benefit of children and families in Algoma-Manitoulin. If you have any questions please feel free to call me.

Yours Truly,

Carla M. Fairbrother R.E.C.E.C., M.A.
