MEMORANDUM TO: Directors of Education

FROM: Jim Grieve
Assistant Deputy Minister

DATE: January 12, 2010

SUBJECT: **Early Learning Program - Site Selection Confirmation**

I am writing to provide you with further information about the Early Learning Program (ELP). The memorandum of October 27, **2009: B12 – Early Learning Program – Planning for 2010-11 and 2011-12**, described the components of the ELP and indicated that the Ministry would convey additional information to assist boards with planning for the ELP.

The Ministry is pleased to provide you with an approved list confirming your site selections for Year One implementation of the ELP. Boards, Consolidated Municipal Service Managers/District Social Services Administration Boards and Best Start Networks have done excellent work, and the time and effort given to completing the important task of identifying ELP sites is appreciated. Your collaborative efforts have made it possible for us to move forward in implementing the government's vision of full-day early learning.

To promote transparency, the Ministry is providing to all boards, the list of all approved ELP Year One sites in the Province (see Appendix 1). With the confirmation of sites, boards can continue planning and working collaboratively with the Ministry's regional Early Learning Education Officers, Consolidated Municipal Service Managers/District Social Services Administration Boards and Best Start Networks.

In closing, I would also like to assure you that very shortly you will be receiving details about the Extended Day component of the Early Learning Program.

INFORMATION RESOURCES

Early Learning Education Officers are available in each Regional Office to assist you (see Appendix 2). They should be your first contact for further information about the ELP.
