Dear Mr. Dominelli:

**Manitoulin-Sudbury District Services Board- Directors' Monitoring Activities
(DMA) 2010-11 - Ontario Works Compliance Review Findings**

Please find enclosed a copy of the report of the Ontario Works 2010-11 Compliance Review conducted for the Manitoulin-Sudbury Services Board Ontario Works Program. The Regional Program Review Officer conducted the review between May 16, 2011 and May 20, 2011.

The report touches upon program compliance during the April 1, 2010 to November 30, 2010 review period. Findings indicate a high level of compliance as highlighted in the attached report.

The Program Review Officers, Charlotte Pollard and Louise Quenneville discussed the findings with Donna Moroso during a conference call on May 26, 2011.

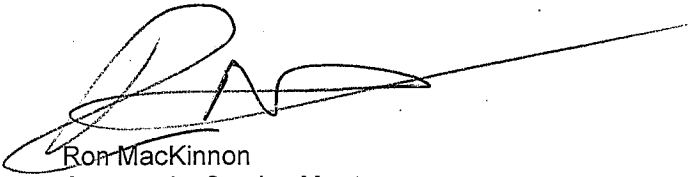

The findings of this review indicated that the site, as a whole, demonstrates a high level of compliance with the Ministry's Policies and Directives therefore an Action Plan has not been completed, A review of the Manitoulin-Sudbury District Services Board's own local policies should be sufficient to address any of these findings.
