Dear Mr. Gamble:

Thank you for your letter of May 4, informing me of the Manitoulin-Sudbury District Services Board's decision to adopt the resolution regarding the management of child care programs. I appreciate your keeping me apprised of your organization's position.

I note that you have also sent a copy of your letter to my colleague the Honourable Leona Dombrowsky, Minister of Education. I trust the minister will also take the board's views into consideration.

Thank you again for the information. Our government remains committed to improving access to high quality, convenient child care for thousands of families — and to helping parents balance the demands of work and family. Please accept my best wishes.

Yours truly,
