Mr. Bill Ivey
Economic Development Specialist
Township of Chapleau
Civic Centre, P.O Box 129
Chapleau, ON P0M 1K0

Dear Mr. Ivey,

The Chief and Council would like to add their support to the Transitional Living in Chapleau Committees (TLCC) bid to pursue the creation of a transitional living facility for all residents of the Chapleau area.

The residents and members of the Chapleau Cree First Nation view this possible facility as an extension of our Native philosophy in assisting our elders to remain active and independent in an honourable and dignified manner.

We anticipate a favourable venture through the groundwork of your organization and are hopeful that the TLCC will keep us apprised of the progress this project.
