Bill Ivey
Economic Development Officer
Township of Chapleau
Pine Street
Chapleau, ON
POM 1K0

Dear Mr. Ivey

The Chapleau Ojibwe First Nation would like to support the Transitional Living Chapleau Committee (TLCC) in their quest in the construction of a transitional living facility for the citizens of the Chapleau area.

We the people of our First Nation utilize the services available to us in the town of Chapleau. This facility would certainly fill the void for our elders when they can no longer live on their own but are not ready to enter an extended care facility.

Should you require further confirmation or clarification, please feel free to contact me.

Respectfully,

Anita Stephens
Chief

Theresa Memegos
Councillor
