MEMORANDUM TO:

Chief Administrative Officers
- Consolidated Municipal Service Managers
- District Social Services Administration Boards

FROM:

David Carter-Whitney
Assistant Deputy Minister
Social Policy Development Division

SUBJECT:

**One-time Grant Funding to Support the Transition to
the Community Homelessness Prevention Initiative
(CHPI)**

The government announced changes today that affect municipal delivery partners.

In order to support municipalities in transitioning to the new consolidated Community Homelessness Prevention Initiative (CHPI), the government has committed to providing municipal service managers with one-time grant funding of \$42 million. The additional funding, which will be provided by MCSS, will assist eligible municipalities as they develop and implement their CHPI plans. Funds will be allocated to assist vulnerable Ontarians – including social assistance recipients – to transition to CHPI as plans are developed, between January 1, 2013 and March 31, 2014.

The funding will be allocated amongst municipal service managers based on each municipality's change in total funding for housing and homelessness supports in 2013-14. This means those municipalities that will see a funding increase in 2013-14, will not receive any of the one-time grant funding. Please refer to the appendix for a list of grant funding allocations by municipal service manager.

As the funding is intended to complement CHPI allocation funding, municipal service managers will have the flexibility to use the funds for a range of CHPI housing and homelessness-related supports, based on local priorities.

Further details and instructions around funding will follow in January 2013 from Regional Offices.
