Dear Mr. Dominelli:

Re: Investment in Affordable Housing for Ontario program

Over the last 5 years a group of seniors have been working on a volunteer basis on the construction of a supportive living facility for us in Chapleau and area.

We initially started as a committee of town council and now are an incorporated entity..
At our last meeting we approved the request that our mayor ask that we present our case at the next Manitoulin -Sudbury DSB Meeting agenda on March 22nd at 1000.

We have done the studies, business plans and surveys to support our most worthy project.

At this time please accept this as a formal request for some of our committee members be present on your March 22,2012 meeting.

Should you have any questions I can be reached at the phone numbers or e-mail address below.

Yours truly,

Doreen Cachagee
