The Honourable Kathleen Wynne Premier of Ontario Room 281, Legislative Building Queen's Park Toronto, ON M7A 1A1

Dear Premier:

## Re: 2013 Nutritious Food Basket

Each year the Sudbury & District Health Unit, along with all health units across the province, follows the Nutritious Food Basket (NFB) protocol to conduct the NFB survey. The NFB survey monitors the cost of healthy eating. Every year, the NFB results demonstrate that households on social assistance or minimum wage cannot afford a nutritious diet after paying for housing costs and other basic necessities such as transportation, clothing, and personal care items. The NFB highlights the nutritional vulnerability of social assistance recipients and those earning a minimum wage.

On behalf of the Sudbury & District Board of Health, I am pleased to provide you with the Infograph, titled, *Limited Incomes: A Recipe for Hunger*, which outlines the impact of the cost of healthy eating in the Sudbury & District Health Unit's catchment area. On November 21, 2013, the Board of Health carried motion #58-13:

WHEREAS the Sudbury & District Board of Health annually monitor the cost of healthy eating in the Sudbury & District Health Unit (SDHU) area in accordance with the Nutritious Food Basket Protocol and the Population Health Assessment and Surveillance Protocol per the Ontario Public Health Standards 2008; and

WHEREAS the 2013 costing results continue to show that individuals and families living on social assistance, or low incomes, cannot afford healthy food after paying for housing and other necessities;

THEREFORE BE IT RESOLVED THAT the Sudbury & District Board of Health continue to urge the provincial government to ensure access to nutritious food for all Ontarians by increasing social assistance rates and the minimum wage to levels that reflect the true cost of purchasing nutritious food, based on annual results from the Nutritious Food Basket costing; Letter Re: Nutritious Food Basket December 19, 2013 Page 2

> FURTHER THAT the Sudbury & District Board of Health request the provincial government implement the recommendations of the Healthy Kids Panel report that focus on reducing poverty and that address the food system; and

FURTHER THAT the Sudbury & District Board of Health share the SDHU Nutritious Food Basket 2013 Infographic with appropriate community agencies, boards, local MPPs, mayors and councils throughout the SDHU area.

Thank you for your commitment to these important matters.

Sincerely,

Penny Sutcliffe, MD, MHSc, FRCPC Medical Officer of Health

Encl.
