MEMORANDUM

TO: Ministry Transfer Payment Partners and
Licensed Children's Residential Services and Foster Care

FROM: June Kelloway-Tarrant
Regional Director, Northern Region

SUBJECT: New Regional Structure for the Ministry of Community and Social Services and
Ministry of Children and Youth Services

I am writing to provide you with information about the Ministry of Community and Social Services (MCSS) and the Ministry of Children and Youth Services' (MCYS) new regional structure.

Over the past year, the ministries engaged in a joint review of the regional structures in the MCSS Operations Division, MCYS' Service Delivery Division, and Youth Justice Services Division in order to determine a more effective and efficient approach to the delivery of services for children, youth, and adults in Ontario.

As a result of the review, the ministries will be implementing a new integrated regional structure across the three divisions by combining the existing regions to create five (5) new regions across the province: North, West, Central, East, and Toronto.

The new regional boundaries support existing natural service patterns for adult, children and youth services, and will promote greater collaboration between our regions and with other ministries resulting in more integrated service delivery, which will lead to better integrated services for the public.

We are planning to begin implementation of the new regions in the fall of 2013. More specific timelines are being developed. There are no changes and no impacts at this time. Once an implementation plan has been developed, further details will be provided to you.

A key component of implementation planning will include determining the headquarters for the new regions. The headquarters locations will be shared with you once decisions are made. Existing regional office headquarters will continue to function as office sites to maintain a local presence in the communities they serve.

As there is no direct impact on clients and families, the ministries will not be communicating with them at this time.

For your reference, I have attached a list of the new MCSS/MCYS regions and the new MCSS/MCYS provincial map of regions.

Should you have any questions, please do not hesitate to contact me at 1-800-565-5970, ext. 2242, or by e-mail at June.Kelloway-Tarrant@ontario.ca
