Dear Mr. Broadhurst:

**Re: Investment in Affordable Housing for Ontario (IAH) Program
Additional Funding Allocation – Ontario Renovates – Year 2**

The Ministry has reviewed your request for additional funding under the Investment in Affordable Housing for Ontario (IAH) Program - Ontario Renovates component. I am pleased to confirm additional funding in the amount of **\$60,000** has been approved to repair and improve affordable housing in Year 2 for the Manitoulin-Sudbury District Administration Board.

This funding approval is conditional upon:

- (a) committing all additional funds by **February 28, 2013** by submitting to the Ministry a completed Project Information Form (PIF) for each project along with a copy of a Letter of Agreement/Funding Agreement signed with the homeowner/proponent and the appropriate security document; and
- (b) agreeing to administer this Program funding arrangement and monitor the project in accordance with the terms and conditions of the Administration Agreement and Program Guidelines.

As you are aware, funding under the IAH for each fiscal year is on a strict "use it or lose it" basis. Therefore, funding approved during Year 2 that is not committed by February 28, 2013 will be reallocated.

Congratulations on your significant accomplishments. Our government is pleased that you are able to utilize this additional funding to repair and improve affordable housing in your community.

Sincerely,
