Dear Fern Dominelli:

During the Board meeting on Wednesday, February 26, 2014, Rainbow District School Board Trustees approved the addition of a modular unit at Little Current Public School. This addition will enable the Manitoulin-Sudbury District Services Board to expand childcare spaces.

On behalf of the Board, I would like to thank you for making this important investment. The expansion will have a positive impact on families in the Little Current area and will further support a seamless transition from childcare into school.

Rainbow District School Board values your contribution to our collective commitment to serve children. When we invest in our children, we invest in our future.

Sincerely,

A handwritten signature in cursive script that reads "Doreen Dewar".
