Dear Ms. Sloss:

Thank you for writing on behalf of the Sables-Spanish Rivers Council regarding funding for youth employment in Ontario. I appreciate receiving council's feedback about our government's new Youth Job Connection program.

I want to assure council that our government is dedicated to helping young people of all abilities and backgrounds succeed in the labour market. As council's position on the matter would also interest my colleagues the Honourable Tracy MacCharles, Minister of Children and Youth Services, and the Honourable Reza Moridi, Minister of Training, Colleges and Universities, I have forwarded copies of your correspondence to them for their information and review.

Once again, thank you for writing. Please accept my best wishes.

Sincerely,

A handwritten signature in black ink that reads 'Kathleen Wynne'.

Kathleen Wynne  
Premier
