You may now proceed with hiring an eligible employee. A project officer will contact you regarding placing the job advertisement, the employee verification process and the legal and contractual requirements for disbursement and administration of the contribution. If you have not selected, hired, and advised your project officer of an eligible candidate within 12 months of the date of this approval letter, your approval will expire and your file will be closed. However, you may submit a new funding application under the Northern Ontario Internship Program, which will be evaluated in the normal course in accordance with NOHFC's usual guidelines and criteria.
