Dear Sir

Without Prejudice
April 11th 2013.

I am writing to ask the board to give it's immediate attention to the allowance I currently receive for performing a Traditional Funeral.

I have not received an increase for this service in twenty five years, while other regions appear to have reviews annually or bi-annually.

I am asking that my current allowance for performing a Traditional Funeral be brought in line with that of Algoma-Wawa and Algoma Elliot-Lake.

It is my understanding that the above mentioned regions are currently receiving \$4250 for this service.

Any favourable consideration by the board would be greatly appreciated.

Sincerely James Bourcier
