### **2016 Annual General Meeting**

Sudbury, Ontario

Resolution # 2016- 10

Originator: NOSDA

Report/Background: **Service System Management and Employment Services**

**WHEREAS it has been recognized the value of direct relationships with local economic development and business is fundamental in planning for good employment outcomes in a community and by virtue of the municipal linkages to these departments with CMSM/DSSAB's; and**

**WHEREAS it has also been acknowledged that other municipally delivered services including Housing Services and Children's Services are fundamental to assisting individuals along the continuum of employment;**

**Therefore be it resolved that NOSDA call on the Premier of Ontario to move forward with the integration of Employment Services and more specifically that the province engage CMSM/DSSABs as full partners in managing and planning employment services in their communities; and**

**Further be it resolved that the Premier takes the first step along this integration path by immediately expanding the number of CMSM/DSSABs in the North which are designated as Employment Ontario deliverers.**

**Further be it resolved that the Premier directs the Minister of Training, Colleges and Universities who is responsible for Employment Ontario to make DSSAB's/CMSM the Service System Managers for employment programs and engage in government –to-government relations with CMSM/DSSABs in the same manner as other Provincial Ministries where the CMSM/DSSAB is interested which would mean Employment Ontario would only have one contract within each CMSM/DSSAB jurisdiction. This would allow CMSM/DSSAB to rationalize services and ensure that over time a streamlined and more holistic approach to employment services in a community where being funded.**
