It's more like a toolbox of ideas. You choose the strategies you need. You choose the way you want to use them. It's all about making Triple P work for you.  WHAT DOES TRIPLE P DO?  Triple P helps you: Raise happy, confident kids; Manage misbehaviour so everyone in the family enjoys life more; Set rules and routines that everyone respects and follows; Encourage behaviour you like; Take care of yourself as a parent; Feel confident you're doing the right thing.
