Employment Subsidy Program

In an attempt to increase our client's average earnings and clients exiting to employment, the employment staff will continue to promote our employment program to prospective employers. The Enhanced Job Placement Program (EJP) is subsidized program that assists our disadvantaged participants in obtaining and maintaining employment. We would like to continue to remind the Municipalities within the Manitoulin-Sudbury DSB area that they may want to consider utilizing this program when they consider hiring additional staff.

Employment Ontario

The Manitoulin-Sudbury DSB began offering Employment Ontario Services effective August 1st, 2010. The new employment service model will provide clients with a single, enhanced point of access to services that are customer-focused, flexible and responsible to local community needs. Employment Ontario offers help to those who are unemployed get training, skills and experience to achieve their goals. The program connects people looking for work with employers looking for workers.
