

Ministry of Municipal Affairs and Housing
Request to Swap OPHI Planning Allocation

Instructions: Please complete, sign, and e-mail this form to HousingProgramsDelivery@ontario.ca.

**Please note, swapping of Service Manager allocations is the only option to move funds across fiscal years. The Ministry may not be able to accommodate all requests. If approved, a Revised Allocation Letter will be issued by the Ministry.*

**Service Manager/
 Indigenous Program Administrator: Manitoulin-Sudbury District Services Board**

Section A. Request details

Rationale:

The DSB owns 3 vacant lots, 2 in Espanola and 1 in Gore Bay. We are currently in the process of selling 3 single family homes and a 10 unit building on Gore Bay. The proceeds from the sale of these 4 properties and the COCHI & OPHI \$623,865 would go towards a build in 2021-22. At this point we are estimating 12 units, but this will be firmed up as we determine maximum build on each lot and available funding.

We have not identified a swapping partner.

****Indicate if potential "swapping" Service Manager candidates have been identified**

Please attach additional pages if more space is needed

Section B. Planning Allocation Revisions
